TASTING NOTE

This wine is a pure and expressive example of a blend of both Cabernet Franc and Cabernet Sauvignon varietals when allowed to full ripen – a robustly savoury and powerfully structured wine that remains gracefully welcoming with its beautifully textured tannins. With seductive aromatics of raspberries, cassis, eucalypt and anise, this wine then displays a superb palate with overtures of mulberries, black cherries, cigar box and earth. An abundance of fine dusty tannins will provide structure to this wine for many years and enhance the enduring finish.

Pair our Cabernets with braised beef short-ribs for a satisfying meal.

This Cabernets will be even more delightful with some time in your cellar. Under ideal conditions, it can be cellared for 10+ years.
