

2020 RIESLING CLONE 21B

Vineyard: Freedom 75, Naramata

Blend: 100% Riesling Geisenheim Clone 21B

Alcohol: 12.1%

pH: 2.87

Total acid: 9.75g/l

Residual sugar: 12g/l

Harvested: October 2020

Bottled: 2nd March 2021

Released: 30th April 2021

WINEMAKING

- hand harvested in the cool early morning
- whole bunch pressed
- fermented in stainless steel tanks at very cold temperatures to allow for a long slow ferment to develop complexity and texture while maintaining the delicacy of the wine
- blended and lightly filtered prior to bottling

TASTING NOTE

This wine is made in the classic style of Riesling with elegant notes of citrus blossom and jasmine making up its complex bouquet. Our “21B” is teeming with flavours of honey-crisp apple, lime, pears, and lemongrass. A strong note of river stones adds another layer of complexity. This wine has a hint of sweetness to compliment the natural acidity of this Riesling Clone, creating a supremely balanced wine.

Delicious on its own or enjoy it paired with fresh Kusshi oysters followed by steamed King Crab with lemon butter.

This is an exceptional example of Riesling Clone 21B that will age beautifully for the next 10+ years from release.
