

2020 RIESLING CLONE 49

Vineyard: Rockyfeller, Golden Mile
Blend: 100% Riesling Alsace Clone 49
Alcohol: 9.9%
pH: 2.82
Total acid: 8.25g/l
Residual sugar: 39g/l
Harvested: 1st October 2020
Bottled: 2nd March 2021
Released: 30th April 2021

WINEMAKING

- hand harvested in the cool early morning
- short amount of skin contact then gently pressed
- fermented in stainless steel tanks at very cold temperatures to allow for a controlled slow ferment to protect the fruit and floral aromas
- once the ferment reached the flavour peak it was stopped with appropriate residual sugar level remaining
- lightly filtered prior to bottling

TASTING NOTE

Our Riesling Clone 49 is done in an off-dry style to emphasize its natural fruity richness. This vibrant wine showcases its opulence with flavours of potpourri, peaches, and pomelo. A fruit forward textural wine that has a lingering finish of dried apricots and honeycomb.

Pair with seared pork loin chops and a pineapple and pear salsa or a classic Waldorf salad.

This is an exceptional example of Riesling Clone 49 that will age beautifully for the next 5-7 years from release.
